SPRAVATO® REMS

Outpatient Healthcare Setting Enrollment Form

Healthcare Setting Authorized Representative Agreement

I am the Authorized Representative designated by my healthcare setting to carry out the certification process and oversee implementation and coordinate the activities of the SPRAVATO® REMS. By signing this form, I agree, on behalf of the healthcare setting, to comply with all REMS requirements:

To become certified to dispense, I will:

- Have a prescriber onsite during SPRAVATO® administration and monitoring.
- Have healthcare provider(s) and a pulse oximeter to monitor patients onsite.
- Review the SPRAVATO® **Prescribing Information and REMS Program Overview**.
- Enroll in the SPRAVATO® REMS by completing and submitting the **Outpatient Healthcare Setting Enrollment Form**.
- Establish processes and procedures to:
 - Enroll the patient in the SPRAVATO® REMS.
 - Counsel the patient on the requirement for enrollment, monitoring, and the risks of sedation, dissociation, respiratory depression and other changes in vital signs, and the need to have arrangements to safely leave the healthcare setting and not engage in potentially hazardous activities.
 - Verify the patient is enrolled in the REMS before each administration.
 - Verify SPRAVATO® is not dispensed for use outside the certified healthcare setting.
 - Complete and submit the **Patient Monitoring Form** after each administration within 7 calendar days.
 - Identify all staff involved in prescribing, dispensing, and administering SPRAVATO® and ensure they are trained on:
 - ♦ Counseling the patient on the requirement for monitoring and risks of sedation, dissociation, respiratory depression, and other changes in vital signs, and the need to have arrangements to safely leave the healthcare setting and not engage in hazardous activities.
 - ♦ Patient administration under the supervision of a healthcare provider.
 - ♦ Monitoring for resolution of sedation, dissociation, respiratory depression using pulse oximetry and other changes in vital signs for a minimum of 2 hours.

Before treatment initiation, I will:

- Counsel the patient on the requirement for monitoring for resolution of sedation, dissociation, respiratory depression, and other changes in vital signs, and on the need to have arrangements to safely leave the healthcare setting and not engage in potentially hazardous activities.
- Enroll the patient by completing and submitting the **Patient Enrollment Form** to the REMS.

Before administering, I will:

- Counsel the patient on the requirement for monitoring for resolution of sedation, dissociation, respiratory depression, and other changes in vital signs, and the need to have arrangements to safely leave the healthcare setting and not engage in potentially hazardous activities.
- Verify the patient is enrolled in the REMS through the processes and procedures established as a requirement of the REMS.

During and after administering, for at least 2 hours, I will:

- Assess the patient for administration of SPRAVATO® and resolution of sedation, dissociation, respiratory depression using pulse oximetry, and other changes in vital signs.

After administering, within 7 calendar days, I will:

- Document and submit to the REMS using the **Patient Monitoring Form**.

To maintain certification to dispense, I will:

- Have any new authorized representative enroll in the REMS by completing the **Outpatient Healthcare Setting Enrollment Form**.

At all times, I will:

- Not dispense SPRAVATO® for use outside a certified healthcare setting.
- Not distribute, transfer, loan, or sell SPRAVATO®.
- Maintain records documenting staff's completion of training.
- Maintain records that all processes and procedures are in place and are being followed.
- Maintain records of all shipments of SPRAVATO® received and dispensing information including patient name, dose, number of devices, and date administered.
- Comply with audits carried out by Janssen Pharmaceuticals, Inc., or a third party acting on behalf of Janssen Pharmaceuticals, Inc., to ensure that all processes and procedures are in place and are being followed.
