

CENRIFKI™ REMS HEALTHCARE PROVIDER KNOWLEDGE ASSESSMENT

To become certified in the CENRIFKI™ REMS, you must complete this *Healthcare Provider Knowledge Assessment* and the *Prescriber Enrollment Form*. You must answer ALL eight questions correctly to become certified.

1. Review the **CENRIFKI™ Prescribing Information**
2. Review the **Program Overview** and the **Education Program for Healthcare Providers**
3. Complete and submit this **Healthcare Provider Knowledge Assessment** and the **Healthcare Provider Enrollment Form** to the CENRIFKI™ REMS
 - a. Online at CENRIFKIREMS.com
 - b. Fax to the CENRIFKI™ REMS at 1-877-912-0072

If completed by fax, you will be notified by the REMS on the status of your certification within two (2) business days upon receipt. When contacted, you will receive either:

- Confirmation of your certification in the REMS or
- Instructions on how to retake the **Healthcare Provider Knowledge Assessment**, if necessary
